IF YOU ARE NOT SATISFIED WITH YOUR PURCHASES DO NOT RETURN COINS TO NEW YORK BUT TO OUR FOREIGN AGENT

Si vous n'etes pas satisfait de votre achat ne renvoyez pas les pièces à New York mais s.v.p. á notre agent en Suisse.

Wenn Ihre Einkäufe Ihnen nicht gefallen, bitte nach Basel und nicht nach New York zuruecksenden.

Si las compras no le gustan, por favor devolverlas en Suiza y no en Nueva York.

DO NOT SEND US ANY GOLD COINS AT ANY TIME, NOT EVEN OUR OWN WHICH MAY HAVE COME FROM THE UNITED STATES BECAUSE WE MUST FIRST ASK FOR A TREASURY IMPORT LICENSE BEFORE WE CAN ACCEPT THE COIN.

Apart from our foreign agent in Basel, we have many representatives in many countries and you can therefore order from our auctions wherever you live. Whatever complicated import regulations your country may have, it can be taken care of by these agents.

Si votre pays a des lois compliquées pour l'importation des monnaies de collection ou pour le paiement, ne vous tracassez pas et envoyez nous vos commandes. Nous avons toujours un representant sur place qui s'occupe de nos affaires.

Wo Sie auch wohnen, koennen Sie in unsren Versteigerungen kaufen. Wenn es Einfuhr oder Zahlungs Schwierigkeiten in Ihrem Land gibt, fragen Sie uns bitte wer bei Ihnen uns vertreten kann.

Si su pais tiene leyes dificiles de importacion o de remisas, Ud puede de toda manera enviar sus pedidos a nuestra casa. Tenemos siempre un representante en muchos paises para ocuparse de nuestros negocios.

IN THE GOLDEN SALE PART TWO JANUARY 1963 we have had many foreign buyers who have seen how we conduct auctions. In our auctions, coins do not have to reach a certain price; they may sell for a part of the estimate or for much higher. In the Golden Sale many went over estimate and some sold for only ⅓ of estimate. You can therefore bid as you prefer. We do not have any restrictions in our sales.

Nous avons eu beaucoup d'acheteurs de l'étranger à notre grande vente de janvier 1963 (Golden Sale part II) et vous avez donc pu voir que les monnaies ne doivent pas obtenir un certain prix décidé en avance par nous. Au contraire les pièces se vendent comme le marché le veut. Il y avaient des piéces qui ont été vendues pour beaucoup plus que les prix estimés tandis que d'autres aient atteint seulement un tiers du prix estimé

Sie haben jetzt geschen in unsrer erfolgreichen Januar Versteigerung (Golden Sale II) dass unsre Schaetzungen nur zur Sammlershilfe da stehen und Sie haben auch bemerkt dass manche Muenzen fuer viel hoeher als die Schaetzung verkauft sind; auch welche nur fuer ⅓ der Schaetzung. Bei uns gibt es kein Anfangspreis fuer jede Muenze. Die Kaufer bringen den Preis heraus.

En nuestra subasta de Enero (El Gran Golden Sale II) Ud podia ver que las piezas son vendidas por mas alto precio que precio de estimacion y tambien algunas por ⅓ de estimacion. No tenemos precios iniciales. Ninguna moneda debe llegar a un cierto precio.

After the dissolution of the Order's home seat at Malta, in 1798, by Napoleon Bonaparte, these different sections were absorbed by the sovereign Nations, where they had been located. These Nations then absorbed the Order of Malta, and considered it as their own, and used the Order as an honorary award of the highest rank, for humanitarian services. These nations then added their own coat of arms insignia between the arms of the Original Maltese Cross. One of these sections was Brandenburg, with jurisdiction over Prussia and Sweden. After World War II the Swedes parted from their old Brandenburg affilation, and substituted for the Prussian Eagle a stylized fleur de Lys between the arms of their Cross. PARMA

2036 **Order of Constantin of the Duchy of Parma:** This Order of extremely ancient origin was originally created by the Roman Emperor Constantine and rejuvenated by Byzantine Emperor Isaac Angelus Commenus in 1191. In 1261 it was again modernized by the Emperor Paleologue. When the Byzantine family of the Angeli, the Grand-Masters of the Order, migrated to Italy in the early Renaissance, the Order was transplanted to Italy, and recognized as such by Popes Paul III and Julius III. The last Grandmaster of the Paleologue line named Francis I, Farnese, Duke of Parma as the new head of the Order on July 27th 1697, was duly recognized by his Liege Lord, the Holy Roman Emperor Leopold I on August 5th, 1699. With the dying out of the Farnese line the Order together with the Duchy went to the Bourbons, and later to Austria. When the French Empress Marie-Louise, wife of Napoleon I, became (after the collapse of the French Empire) Duchess of Parma, she shortly thereafter on February 26th, 1816 assumed the title of Grandmistress of the Order. At that time, due to rival claims the Order split into its Parmese and Neapolitan sections. In Parma it was awarded in 5 classes, of which we here offer the highest, the **Chain** of a Senatorial Grand Cross, in gilt and enamel. (350.00)
